REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or reasonably teach a spinal fusion system comprising a housing or cage defining an opening and a cover for covering the opening, the cover adapted to be secured to at least one of the adjacent spinal bones such that it permits the housing or cage to migrate or float relative to the cover. Thus the examiner has allowed claims 1-5, 7-44, 46-116, 118-125, 131-135, 137-152, 154-182.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
